OGC HAS REVIEWED.

Dear Mr. Houston:

Thank you very much for your letter of 19 February, postmarked 2 March, and received at my hand on 4 March.

25X1A

On 3 March I had a very courteous and favorable interview with Mr. McConnell of the Attorney General's office, Chicago, and [REDACTED] I regret that the names of these gentlemen are not as yet known in full to me, but I should like to commend the both of them most highly.

25X1A

I have delayed replying to your letter in order to permit Mr. McConnell and [REDACTED] to file their reports.

Thank you for your suggestion, but I cannot think of any questions that I should place relative to my patent matter.

I should be pleased if you were to extend my respects and gratification to Mr. Dulles. Should Mr. Dulles' office be desirous of any information, it would be my pleasure to be readily and completely responsive.

25X1A

Permit me to indicate, however, that such information could be tendered with considerable more skill and alacrity [REDACTED]

25X1A

Yours very truly,

STATINTL
